We offer three venues for your wedding ceremony and reception dinner:

The **Atrium** is our largest, with room for up to 80 guests. With its Glass roof the light is wonderful on a spring or summers day, and it also has a private bar. Overlooking our gardens from our impressive terrace, its period features and rich furnishings provide a beautiful setting for such a significant day.

The **River Room** is perfect for more intimate ceremonies, seating up to 25 people. This delightful room has mood lighting, can be separated from the rest of the Hotel, with access to the lawn.

The **Conservatory** has a beautiful glass dome roof, creating a tranquil environment with lots of natural daylight, and has access to a private bar area. There is ample space for a small ceremony and dinner guests, with magnificent views and access to the terrace and gardens.

Each room can be hired for civil ceremonies. The cost does not include the registrar fees- to discuss your ceremony with the local's registrar, please call the local registrar directly. When booking with them please make sure that the latest sit-down time for your wedding breakfast is 5pm.
